

REMARKS

Reconsideration of the application is requested in view of the amendments to the claims and the remarks presented herein.

The claims in the application are Claims 8, 9 and 12 to 14, all other claims having been cancelled.

The Examiner has required a 7 way restriction requirement and an election of species.

Applicants elect the invention of Group I and the claims have been limited thereto. It should be understood that Applicants reserve the file divisional applications thereto. With respect to the election of species, Applicants elect with traverse the compound of Claim 13 since the claims are directed to a single invention.

In view of the fact that the office was merely a restriction, Applicants request a prompt examination on the merits.

Respectfully submitted,
Hedman and Costigan
